K I N O Y A

WELCOME

The Kinoya experience is conceptualized based on two vital experiences;
Izakaya and Ramen.

Izakaya is an informal Japanese dining experience where people gather after work to enjoy snacks and beverages. At an Izakaya, guests can always expect a warm, welcoming atmosphere where they can relax and unwind.

Ramen is an everyday dish in Japan. To achieve the unique and authentic taste of a Ramen Bowl, the key is to carefully select and cook every ingredient to perfection. At Kinoya, we created a menu that would bring you to the heart of Japan.

Kinoya will offer an all-encompassing experience of atmosphere and food, by serving everyday Japanese dishes such as Donabe, Onsen Tamago, Dashi, Omurice, and many other authentic delicacies. Every aspect of Kinoya is curated to bring you a memorable experience, set to change the Japanese cuisine narrative in Dubai.
